REICHERT
KOMMUNIKATIONSTECHNIK

OPERATOR POSITIONS · DESK UNIT EN

# UniKey-TS2.
# Full radio operation on 4.3 inches.

Compact 4.3″ desk unit with 16 tactile keys, 13 of them assignable – with the same menu pattern as the UniKey-TS3.

UNIKEY-TS2 AT A GLANCE

# Compact and complete.

Analogue and digital radio, telephony and intercom in one compact device – as a desk unit of the REICHERT ZBE.

**Parallel operation**
Up to 12 audio sources, set separately

**Speaker + headset**
Both in use at the same time

**16 keys**
Programmable and tactile

**Fixed menu pattern**
As on the UniKey-TS3

**Foot switch PTT**
Talk with your hands free

**One device**
Radio, telephony and intercom

IN USE

- **Command vehicles**
- **Control rooms**
- **Operations command rooms**
- **Reception / gatekeeper**

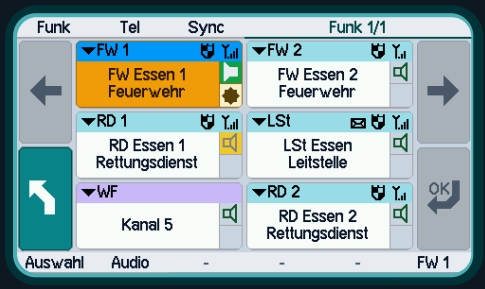

OPERATION

# Just like the UniKey-TS3.

Fixed menu pattern with header and footer: anyone who knows the UniKey-TS3 operates the TS2 straight away.

Radio operation: one radio line in focus

Radio tiles: several radio lines at a glance

IN OPERATION

# Several things at once.

Listen to several radio circuits in parallel, even during a call or intercom conversation. Loudspeaker and headset work at the same time.

Special keys: switch gates, lights, siren and relays

- All-round visible signalling and alarm LEDs
- Loudspeaker and headset usable at the same time
- Talk via foot switch, handset, headset or gooseneck microphone
- Analogue and digital radio, telephony and intercom in one device

TECHNOLOGY

# Technical data.

The key figures. All details, views and accessories are on the product page.
